

AUDIT ENGAGEMENT INFORMATION

CLIENT DETAILS

Prepared for Tanya Butler
Client phone +27 61 509 4992

WHAT THIS INCLUDES

A focused technical audit of your application, including findings, recommendations, and actionable improvements across performance, security, scalability, user experience, and maintainability.

ACCESS REQUIREMENTS

- Lovable project access**
Please invite Bezelex Consulting as a collaborator using this email address: bezelexconsultingdev@gmail.com.
- Supabase or database access**
If the app uses Supabase or another database, please add temporary read-only or project access so the setup can be reviewed safely.
- GitHub repository access**
If the code is on GitHub, please invite this GitHub account as a collaborator: github.com/bezelexconsultingdev-a11y.
- Third-party service access**
If the app uses payments, email, storage, analytics, or other services, please provide temporary access or screenshots where needed.

Only the access needed for the audit should be provided. Access can be removed once the audit is complete.

TERMS & CONDITIONS

- Payment is required before the audit process begins.
- The audit timeframe is up to 7 working days from confirmed payment and access.
- The audit report is confidential and prepared for the client only.
- This audit does not include implementation work unless separately agreed in writing.

AUDIT OVERVIEW

Audit Cost **R3,000**
Timeframe **Up to 7 working days**

Payment Terms Payment due before audit start

NEXT STEPS

1. Complete payment using the banking details below.
2. Invite Bezelex Consulting using the Lovable email and GitHub account listed under Access Requirements.
3. Once access and payment are confirmed, the audit begins.
4. You will receive a professional audit report with findings, recommendations, and next steps within up to 7 working days.
